██████████████████████████████]

████████ commented on OPS-1845:

████████,

Any thoughts?

> Restore MIT IP Addresses
> ------------------------
>
>   Key: OPS-1845
>   URL: http://████████████████████
>   Project: Operations
>   Issue Type: Task
>   Reporter: ████████
>   Assignee: ████████
>   Priority: Urgent
>
> ████ is asking that the MIT range be restored. ██asked that we take a metered approach and ease them back in if we can. I realize the whole Class A range is blocked at the firewall, but if we could enable the IPs not involved in this latest incident (aka, leave the Class C range suspended) that would be ideal in my estimation. Please advise.
