**Subject:** [JIRA] Commented: (JIT-2119) Create MIT redirect Ad through ABS

---

[ [http://\[REDACTED\]](http://[REDACTED]) ]

[REDACTED] commented on JIT-2119:  
-----

[REDACTED] was out last week so I do not know the feasibility of this; [REDACTED] was going to test it locally. I briefly discussed this with [REDACTED] prior to [REDACTED] vacation. I do not recommend combining this with the Dec 18 release because it will require additional regression testing from QA and they are currently maxed out with test resources.
