Subject:	RE: website sad

Let me know if traffic is groovy. I'd like to try popping it back to life at some point tonight if you all are up and see if it resumes. If we think it better, I can leave it jammed up until tomorrow so the whole thing doesn't explode at 3 am, but it is MIT and all…

☒ Image

see the lighter red line.

Actually, MIT is the heaviest hitter right now for pdf hits with this ip: 18.55.6.215.

Any chance the offending scraper has an IP from the Portland area? We had a tool from Portland State University apologize and admit he was using 3+ PCs to mass download after they went to his house and punched him in the face (if only).
